Amatir Programming

EDUCATION

SMP Negri 1 Cisoka

2017-2020

SMA Negri 8 Kab. Tangerang

2020-2023

UNIVERSITAS GUNADARMA

2023

EXPERTISE

- SQL DBMS
- Background-design

LANGUAGE

- Indonesia
- Inggris

PROFILE

learning to combine technology and business processes to solve real-world problems. My studies have given me exposure to areas such as system analysis, programming, database management, and project management. As a student, I have had the opportunity to work on academic projects involving web development, data visualization, and system design.
